With a light, spacious living room and roof terrace garden, Mantegna is a four bedroom villa of special character and charm.

The focal point of the ground floor, the chic and stylish open-plan kitchen / family room opens via french doors onto a part-walled courtyard garden.

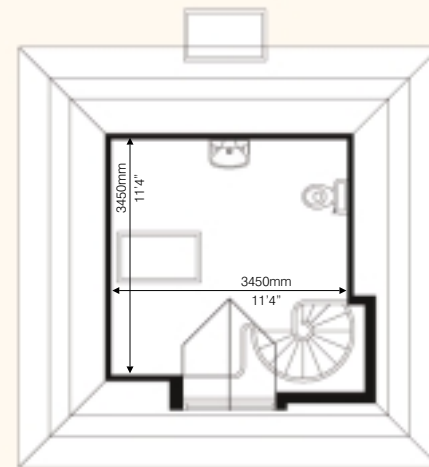

There is also a separate utility room and study on the ground floor.

Along with the living room and roof terrace garden, the first floor also features a bedroom with en suite, together with a second study or further bedroom.

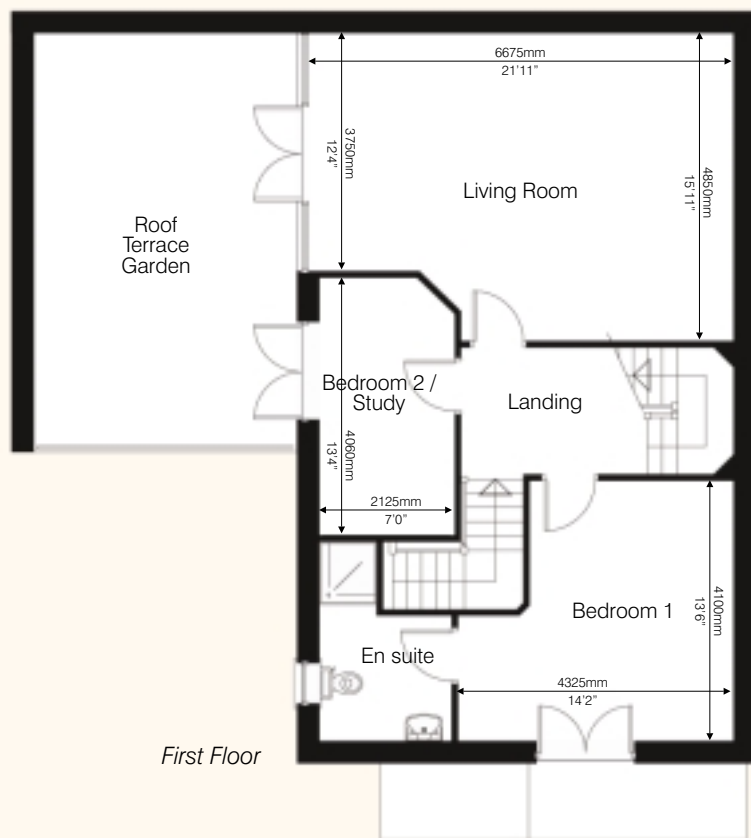

On the second floor, bedrooms 3 and 4 both have en suites - the en suite to bedroom 4 is accessed by spiral staircase to a spectacular tower with fine harbour views towards the Purbecks and Poole town.
