Peruzzi features a well designed open-plan kitchen / family room with french doors opening onto a private garden. There is also a study with floor-to-ceiling windows and a separate utility room on the ground floor.

On the first floor, french doors open from the light, spacious living room onto a sunny roof terrace garden, bringing outside space into the property. There is also a bedroom with en suite and a study or further bedroom, also opening onto the roof terrace garden.

There are two further bedrooms on the second floor, both offering en suites. Peruzzi also has an integral garage and car port.
