

## VIII ROMANO

A four storey villa, with two spacious bedrooms on both the first and second floors and sumptuous en suites including the tower bathroom accessed by spiral staircase from bedroom 3.

Romano offers well designed ground floor accommodation, with a stunning glass ceiling spanning the kitchen and dining areas and flooding the open plan living space with light.

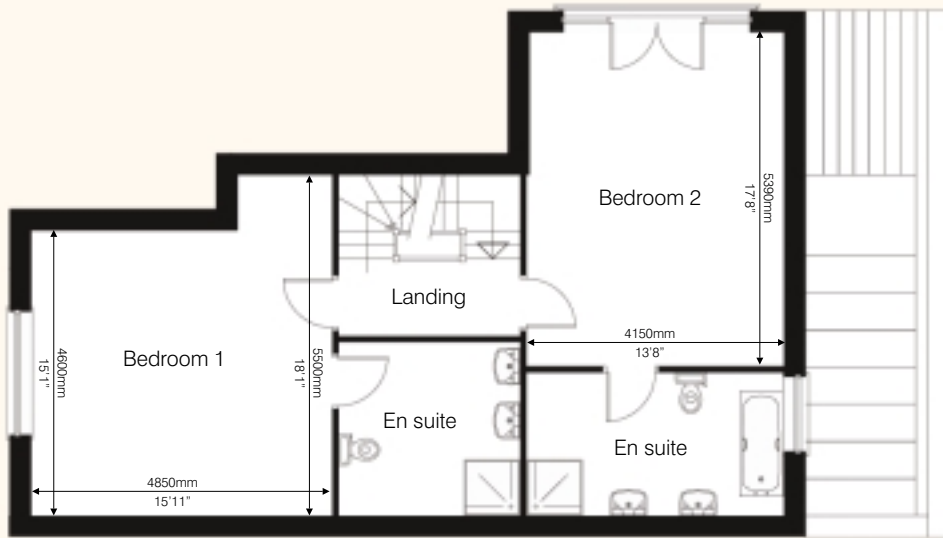

French doors from the living room open onto a magnificent paved and landscaped courtyard garden, which lends the property a truly Mediterranean touch.

Romano also benefits from a car port and integral garage.
