With three pairs of french windows to its dual garden aspect living room, Sanmicheli offers light, airy and spacious family accommodation, with lawned garden on three sides of the villa.

The ground floor of this three storey villa also has a large open-plan kitchen / dining room, cloakroom and adjoining garage.

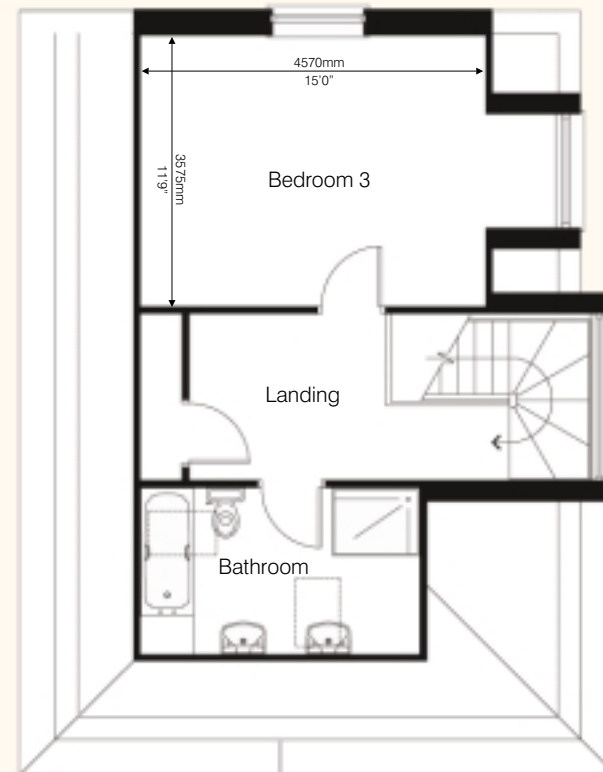

Arranged over the first and second floors are three well proportioned bedrooms, each with en suite bathroom, making for versatile, practical family accommodation.

With harbour views from bedroom 3, the second floor is also designed to work as a spacious, self-contained suite, suitable for guests or older children.
